Recommendations of the Mayor:

Nicoletta McKnight has approached the council and mayor with water usage of 30,400 gallons when her usage is normally around 1,500. The meter is not turning to indicate a leak and she has no physical signs of a leak. According to leak policy, if no leak can be found the customer has the option to replace the meter at \$150, replace with used meter at ½ cost of a new meter, or do nothing. In the event the usage is still high the next month the full cost of the bill will be due, the current bill in dispute will be averaged by last three months. Jimmy Cluesman will have Ms. Mcknight's meter tested for accuracy; in the meantime she will pay the average of the previous three water bills.

Brian Huff made the motion to follow the leak policy and for Mr.Cluseman to proceed with meter testing; seconded by Jolene Lambert. All in favor, motion carries.

None

Jerry Harris made the motion to adjourn; seconded by Tommy Livesay. All in favor, motion carries.
